Payment Options:

You have two (2) options for paying your bill; either by electronic check or by credit card. Please allow 2-3 business days for processing.

Electronic Check:

It is free to pay by electronic check. You will need one of your checks with you when you pay your bill online in order to get your account number and the bank's routing number from it. You will be shown where this information is on your check.

Credit Card:

We accept MasterCard and Discover cards for all of the above payments. Visa is also accepted for tax payments only. There will be a convenience fee for each online payment. The credit card service provider charges the fee to your credit card. When paying by credit card, the fee amount will appear in a separate box and will be totaled with the amount of the tax.
